Complete 8 tricks on a list to earn a certificate for that level

Trick Stars Program

Rules: (there aren't many....)

- All tricks must be preformed following a verbal or physical cue. Food or toy lures are only used during the learning process and must be faded out.
- Dogs must be enjoying the process at all times and never forced into position.
- All tricks must be thought using only modern scientific based force free methods.
- Always give your dog the choice to walk away from a training session.
- A verbal cue must be given only once and not repeated..."Sit,Sit,Sit" is not the same as "Sit" !
- Have fun !!

Trick Stars Program

Trick Training is about enriching your dogs life, building confidence as well as building a strong partnership between owner and dog which is based on mutual respect and fun. Having lots of impressive tricks to show family and friends is also an added bonus !

Rewarding the achievements of owners and dogs working together as a team !

To complete each level and earn your certificate, 8 out of the 12 tricks on each list must be correctly demonstrated either in person or by video presentation.
